BASE IRON

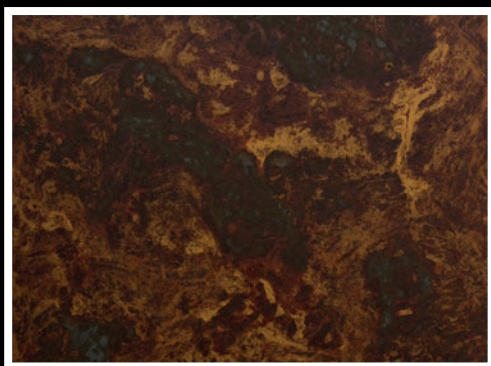

L'ossidazione naturale e autentica per qualsiasi superficie!

Originale Sistema Decorativo, ecologico e a base-acqua, che dà la possibilità di ricreare in qualsiasi superficie, la vera ossidazione che naturalmente avviene sulle superfici ferrose arrugginite ed invecchiate. 4 tonalità di ossidazione, moltiplicate per un infinito numero di effetti facilmente ricreabili, fanno di OxyD'Arthe una speciale finitura per i veri amanti dell'Alta Decorazione.

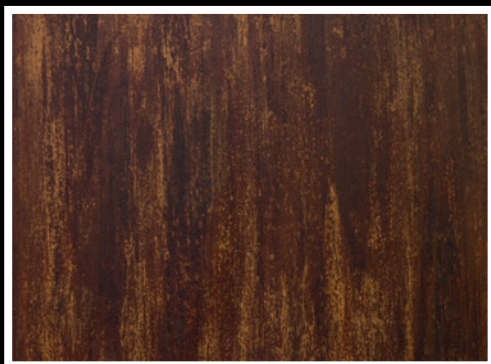

CROSSING *effect*

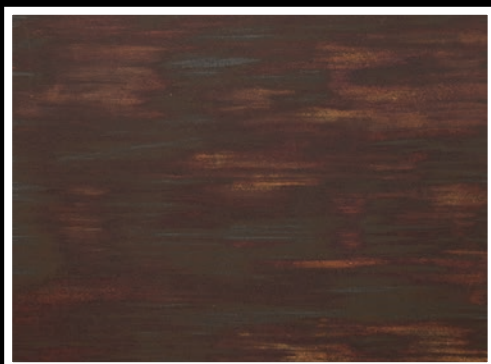

Gli effetti e le crome del presente Catalogo sono da ritenersi puramente indicative, in quanto ottenute da reazioni chimiche suscettibili di variazioni dovute, sia alla quantità di distribuzione sulla superficie interessata dei prodotti che compongono il ciclo applicativo OxyD'Athe, che alle differenze dei supporti e alla temperatura di applicazione.
